1200V 900A LoPak

Technology: TSPT IGBT & FSA Diode

Tentative timeline:

- Engineering sample: May 2021
- Release to Production: October 2021
- Mass Production start: November 2021

Orders Accepted

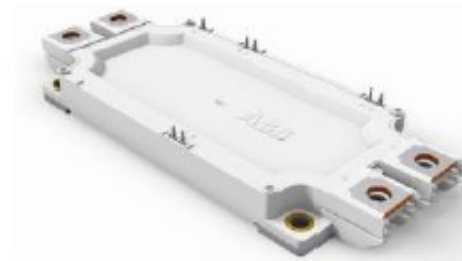

1200V 600A LoPak

Technology: TSPT IGBT & FSA Diode

Tentative timeline:

- Engineering sample: August 2021
- Release to Production: January 2022
- Mass Production start: February 2022

Orders Accepted
